THANK YOU to everyone who participated in the lunch room survey. In an effort to address some of your thoughts I wanted to publish what does goes into our lunches.

DID YOU KNOW...Our chicken is *always* 100% real, whole muscle chicken. Our eggs are 100% real eggs, never powdered! We make our soups from scratch. We slice our own deli meat. Although some fruit is from a can, we prepare and offer fresh fruit weekly. We offer freshly made salads 3 - 4 times each week. We offer dark leafy greens like spinach and Romaine and sometimes mix them with lighter leaves like Iceberg for all of our Salads. We prepare fresh vegetables every day. Did you know your children have fresh food options every day? Yogurt will be added as an option instead of chips for more meals. Shepherd's pie will no longer be offered.
