**Assignment Books**—Students in grades 7 & 8 will receive an assignment book on the first day of class. Students in grades 9-12 may reserve a copy of an assignment book by emailing laurashoe-make@hamptonpark.org. A \$5.75 charge for the assignment book will be billed to accounts.

### UpperSchool

**Schedules**—Students will be able to view their schedules on FACTS ParentWeb in July. Notification will be sent when those may be accessed on ParentsWeb. Questions about schedules may be emailed to gayewynn@hamptonpark.org.

**Supplies**—See box for general supplies for upper school students. In addition to the supplies listed, teachers will explain specific supply requirements for each course when classes have started.

**Textbooks**—7th –12th grade students purchase their own textbooks. A textbook list is attached with this newsletter to provide information regarding the correct books for classes. All necessary books should be purchased prior to the beginning of classes. Students may need textbooks the first day of class.

**Who**—MBSDirect is the textbook provider for HPCS.

**Where**—MBSDirect.net or 1-800-325-3252.

**When**—The bookstore will be open beginning July 1.

**Other**—HPCS also maintains a used textbook bulletin board where books for sale may be posted. Parents and students are welcome to view the board during business hours Monday-Thursday 8-5 and Friday 8-3.

**Uniform Attire**— Students in upper school are required to wear uniforms. Please see the attached 2019-20 Dress Guidelines brochure for specific information regarding attire. Uniform suppliers have sales during the summer. Watch for email notifications regarding sales.

**Lockers**—This summer, the built-in combination locks on upper school lockers will be removed. Most students try to prevent their lockers from locking for convenience sake, which also contributes to significant wear and tear on the lockers. Starting this fall, students who request them will receive combination padlocks to secure their lockers. This will help prevent many repairs and maintain a much longer lifespan for our lockers.
